

## Art Consultant

---

*Do you have a passion for contemporary New Zealand art and live (or want to live) in one of the most beautiful places in the country?*

Milford Galleries is a leading contemporary art dealer with galleries based in both Dunedin and Queenstown. We represent many of the country's major artists and maintain client relationships throughout New Zealand and worldwide.

We currently have an opportunity for a professional, committed, and energetic art consultant to join our Queenstown team. This is a multi-faceted role and involves working with people making their first serious art purchase through to those looking for pieces to complement well-established collections. Using your sound understanding of contemporary New Zealand art and excellent interpersonal and communication skills, you will lead informed discussions about an artist's practice and confidently recommend artworks to suit each client's taste and budget.

In addition, you will take an active role in the handling and installation of artworks, both on and off-site, database maintenance and general administration, so a high level of computer literacy, attention to detail and physical fitness is needed.

Ideally you will have previous experience but we would also like to hear from you if this sounds like something you aspire to. We have a very skilled team across the company who will happily share their enthusiasm and knowledge to assist in your success.

This is a permanent position of up to 40 hours per week and will include some weekend days.
